Mr. Gibbons, Principal and Director of Architecture at KSK Architects Planners Historians, Inc., has been with the firm since 1984. The focus of his professional career has been community development and redevelopment, planning and urban design. He has developed an expertise in the design of urban affordable and market-rate housing, and streetscape design. Among his many projects in these fields in Philadelphia have been Francisville East, Susquehanna Village, and the Townhouses at Cecil B. Moore Place, featured in Urban Land and Planning magazines.
