Re: Witherspoon Senior Apartments
Response to Solicitation #P-004440

Mr. Jeremiah

Representatives from Presby Inspired Life presented the proposed Witherspoon Senior Apartments project to the community on June 28th, 2013 at 10am and June 25th, 2014 at 10.30 am. Community residents surrounding the site were informed about the meeting through flyers and notification by the local community group – Southwest CDC. During the meeting, Presby discussed the development plans and took note of all comments and suggestions from the residents.

This is to certify that the comments from the residents, public housing residents and representative community groups have been considered in the revitalization of the property.

Please feel free to contact me with any questions or clarifications.

Sincerely,

Vidhi Anderson
Executive Director of Housing and Land Development
