RE: Orinoka Civic House  
2771-77 Ruth St. Philadelphia, PA 19134  
New Kensington Community Development Corporation

To whom it may concern:

On behalf of Women's Community Revitalization Project, I am writing to express my support for the Orinoka Civic House project proposed by New Kensington Community Development Corporation (NKCDC) at 2771-77 Ruth Street in the Kensington neighborhood.

NKCDC's proposal to rehabilitate an abandoned 70,000 square foot warehouse structure into affordable and sustainable multi-family housing will signal a change for the better and act as a catalyst for revitalization in a neighborhood that has suffered long-term disinvestment and neglect.

We eagerly anticipate the positive impact that this project will have on this community and welcome the opportunity to continue working with NKCDC towards the common goal of positively impacting the lives of community residents.

Sincerely,

Nora Lichtash  
Executive Director
