A. INSTRUCTIONS TO OFFERORS

1. Preparation of Offers

- (a) Offerors are expected to examine the statement of work, the proposed contract terms and conditions, and all instructions. Failure to do so will be at the offeror's risk.
- (b) Each offeror shall furnish the information required by the solicitation as indicated in the Scope of Work and Mandatory Submissions Checklist, immediately preceding this Section A. The offeror shall sign the offer and print or type its name on the cover sheet and each continuation sheet on which it makes an entry. Erasures or other changes must be initialed by the person signing the offer. Offers signed by an agent shall be accompanied by evidence of that agent's authority, unless that evidence has been previously furnished to PHA.
- (c) Offers for services other than those specified will not be considered.
- (d) If this solicitation requires proposing on all items, failure to do so will result in the proposal being rejected. If proposing on all items is not required, proposers should insert the words "NO PROPOSAL" in the space provided for any item for which no price is submitted.

2. Amendments to Solicitations

- (a) If this solicitation is amended, then all terms and conditions which are not modified remain unchanged.
- (b) Offerors shall acknowledge receipt of any amendments to this solicitation by (1) signing and returning the amendment; (2) identifying the amendment number and date in the space provided for this purpose on the form for submitting an offer; (3) letter or telegram, or (4) facsimile, if facsimile offers are authorized in the solicitation. PHA must receive the acknowledgement by the time specified for receipt of offers.

3. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc. must request in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the Contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

4. Responsibility of Prospective Contractor

- (a) PHA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -
 - (i) Have adequate financial resources to perform the Contract, or the ability to obtain them;
 - (ii) Have a satisfactory performance record;
 - (iii) Have a satisfactory record of integrity and business ethics;
 - (iv) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
 - (v) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the PHA/HUD.
- (b) Before an offer is considered for award, the offeror may be requested by PHA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

5. Late Submissions, Modifications, and Withdrawal of Offers

- (a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -
 - (i) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
 - (ii) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the PHA that the late receipt was due solely to mishandling by PHA after receipt at PHA;
 - (iii) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date

specified for receipt of proposals. The term “working days” excludes weekends and U.S. Federal holidays; or

- (iv) Is the only offer received.
- (b) Any modification of an offer, except a modification resulting from PHA’s request for “best and final” offer, is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.
- (c) A modification resulting from PHA’s request for “best and final” offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by PHA after receipt at PHA.
- (d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. “Postmark” means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull’s-eye postmark on both the receipt and the envelope or wrapper.
- (e) The only acceptable evidence to establish the time of receipt at PHA is the time/date stamp of PHA on the offer wrapper or other documentary evidence of receipt maintained by PHA.
- (f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the “Express Mail Next Day Service-Post Office to Addressee” label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. “Postmark” has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull’s-eye postmark on both the receipt and the envelope or wrapper.
- (g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to PHA will be considered at any time it is received and may be accepted.

- (h) Proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by an offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award.

6. Contract Award

- (a) PHA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to PHA, cost or price and other factors, specified elsewhere in this solicitation, considered.
- (b) PHA may (1) reject any or all offers if such action is in PHA's interest, (2) accept other than the lowest offer, (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.
- (c) PHA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.
- (d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. Before the offer's specified expiration time, PHA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by PHA.
- (e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

7. Service of Protest

- (a) Any protest against the award of a contract pursuant to this solicitation shall be served on PHA by obtaining written and dated acknowledgement of receipt from PHA at PHA Contracts Department, 2013 Ridge Avenue, Philadelphia, PA 19121. The determination of PHA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protester.
- (b) An actual or prospective offeror who is aggrieved in connection with the solicitation or award of a contract may submit a protest. Protests based on the contents of the solicitation must be submitted prior to the date and time

for receipt of proposals. Protests based on contract award must be made within seven days after the protestor knows or should have known the facts giving rise to the protest.

- (c) All protests shall be resolved in accordance with PHA’s protest policy and procedures, copies of which are maintained at PHA.

8. Offer Submission

- (a) Offers and modifications thereof shall be submitted in sealed envelopes or packages (1) addressed to PHA Contracts Department, 2013 Ridge Avenue, Philadelphia, PA 19121, and (2) showing (on the face of the envelope) the time specified for receipt, the solicitation number, and the name and address of the offeror. One original hard copy, five (5) hardcopies, and one electronic copy of the Offer and modifications, including the required proposal forms, shall be submitted (on one or more CDs) in Microsoft Excel, Microsoft Word, and/or Portable Document Format (PDF) formats
- (b) Telegraphic, e-mail, or facsimile offers, modifications, or withdrawals will not be considered unless authorized by the solicitation.

Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

The Contractor shall provide this information directly to the office designated in this Contract to receive that information (hereafter: designated office) within 10 days after award of the Contract. If not otherwise specified in this Contract, the payment office is the designated office for receipt of the Contractor's EFT information. If more than one designated office is named for the Contract, the Contractor shall provide a separate notice to each office. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the designated office(s).
- ii. If the Contractor provides EFT information applicable to multiple contracts, the Contractor shall specifically state the applicability of this EFT information in terms acceptable to the designated office.

- h. Liability for change of EFT information by financial agent. PHA is not liable for errors resulting from changes to EFT information provided by the Contractor's financial agent.
 - i. Payment information. The payment or disbursing office shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. However, no adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Contractor, or for which an equitable adjustment is provided for or excluded under any other term or condition of this Contract.
- c. A claim under this clause shall not be allowed (1) for any costs incurred more than 20 days before the Contractor shall have notified the Contracting Officer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order), and (2) unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the Contract.

10. Default

If the Contractor refuses or fails to prosecute the work, or any separable part thereof, with the diligence that will insure its completion within the time specified in this Contract, or any extension thereof, or fails to complete said work within this time, the Contracting Officer may, by

written notice to the Contractor, terminate the right to proceed with the work (or separable part of the work) that has been delayed. In this event, PHA may take over the work and complete it, by contract or otherwise, and may take possession of and use any materials, equipment, and plant on the work site necessary for completing the work. The Contractor and its sureties shall be liable for any damage to PHA resulting from the Contractor's refusal or failure to complete the work within the specified time, whether or not the Contractor's right to proceed with the work is terminated. This liability includes any increased costs incurred by the PHA in completing the work.

- (b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

(e) Penalties. Any person who makes an expenditure prohibited under paragraph (b) of this clause shall be subject to civil penalties as provided for by 31 U.S.C. 1352. An imposition of a civil penalty does not prevent the Government from seeking any other remedy that may be applicable.

(f) Cost Allowability. Nothing in this clause is to be interpreted to make allowable or reasonable any costs which would be unallowable or unreasonable in accordance with Part 31 of the Federal Acquisition Regulation (FAR), or OMB Circulars dealing with cost allowability for recipients of assistance agreements. Conversely, costs made specifically unallowable by the requirements in this clause will not be made allowable under any of the provisions of FAR Part 31 or the relevant OMB Circulars.

PART I: GENERAL

1.1 POLICY

Documentation must be submitted with the bid/proposal and failure to submit evidence of "Best Efforts" and binding commitments will result in rejection of the bid/proposal and a determination made of non-responsiveness.

- T. WOMEN BUSINESS ENTERPRISE: A business enterprise certified as a Woman Owned Business that is owned controlled and managed by a woman.**

1.4 CERTIFICATION – A LEGITIMATE MBE/WBE

- A. To ensure that only businesses which are owned, managed and controlled in both form and substance by MBE/WBEs are participating in the Authority’s Affirmative Action Contract Compliance Program. MBE/WBE businesses, including joint ventures and nonprofit organizations, must be certified by a governmental entity authorized to certify such enterprises.**
- B. MBE/WBE certification shall not be determinative of a Bidder’s or Contractor’s financial or technical ability to perform specified work. The Authority reserves the right to evaluate the Bidder’s/Proposer’s, Contractor’s or Subcontractor’s ability to satisfy financial, technical or other criteria separate and apart from certification before or after bid opening.**
- C. The Authority recognizes that certified MBE/WBEs might be de-certified by the certifying governmental entity. Any business, which has been de-certified, shall not participate in the Authority’s Affirmative Action Contract Compliance Program.**
- D. The Authority reserves the right, if there is cause, to refuse a certification provided by a certifying agency.**

1.5 SUBSTITUTION OF CERTIFIED MBE/WBEs

Commitments to certified MBE/WBE firms made at the time of bidding must be maintained throughout the term of the contract, unless a change in commitment is pre-approved by the Authority’s AAO. If at any time after a bid/proposal is opened by the Authority, a Contractor is unable to meet the obligations of the Contractor’s Affirmative Action implementation Plan, as indicated on the Schedule of Participation and Binding Commitments Form, such Contractor may be required to present for approval to the AAO a substitute implementation Plan.

1.6 GUIDELINES FOR JOINT VENTURING

Joint Venture partnership(s) with either a certified MBE or a certified WBE must meet the following criteria in order to receive credit towards the minimum participation goals (MPGs):

- A. The MBE/WBE partner(s) must be certified by a governmental entity authorized by law to certify such enterprises prior to bid/proposal submittals.**

- B. The MBE/WBE partner(s) must be substantially involved in all phases of the contract including, but not limited to, the performance, with its own work force, a portion of the onsite work, and administrative responsibilities such as bidding, planning, staffing and daily management.**
- C. The business arrangement must be customary (i.e., each partner shares in the risk and profits of the joint venture commensurate with their ownership interests).**
- D. If the certified partner(s) is a MBE, its participation may be credited to the extent of the partner's ownership interest in the joint venture, however, it will still be required to meet the WBE goal or vice versa.**

1.7 CONTRACT LANGUAGE

Authority contracts subject to these procedures shall include language providing that compliance with MBE/WBE provisions have been met, and cooperation with the Authority on contractual matters is material to the Authority's contract. The successful Bidder's/Proposer's Affirmative Action Plan submissions will become an enforceable provision of the contract. Failure to comply with the Authority's Affirmative Action Contract Compliance Program or otherwise comply with the Bidder's/Proposer's submissions, may be grounds for a finding of contractor non-responsibility.

1.8 AMENDMENT

These procedures may be amended as may be necessary. Any amendment shall become effective upon the approval and adoption by the Philadelphia Housing Authority Board of Commissioners.

1.9 SEVERABILITY

The provisions of these procedures are separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section or portion of these procedures, or the invalidity of the application thereof to any person or circumstances shall not affect the validity of the remainder of the procedures or their application to other persons.

5 PART II: RESPONSIBILITIES

2.1 AFFIRMATIVE ACTION OFFICER

The AAO reports directly to the General Manager of Contracts/Procurement for the Philadelphia Housing Authority. The AAO is authorized and shall perform functions, which include, but are not limited to:

- A. Establish or modify minimum participation goals (MPGs) for Authority contracts based upon the dictates of market availability of certified MBE/WBEs and/or applicable laws and regulations to perform various elements of the contract.
- B. The AAO will engage in the review of bid/proposal packages to ensure that the packages provide maximum opportunity for certified MBE/WBE participation and shall have the authority to recommend approval or disapproval of any bid package to ensure compliance with this program.
- C. Attend all Pre-bid and Pre-construction meetings.
- D. Monitor and audit contractor's performance including site and business office visits to ascertain whether the contractor has discriminated or has practices which have had a disparaging or discriminating effect, and to determine that the certified MBE/WBE is performing its function in accordance with authorized standard industry practices.
- E. Maintain participation records and prepare periodic reports that include, but are not limited to the following data:
 - 1. A summary of contracts awarded specifying the percentage of participation.
 - 2. A survey comparing past and current contract participation goals of certified businesses.
 - 3. Any relevant recommendation that may enhance efficiency and effectiveness of the Affirmative Action Contract Compliance Program.
- F. For Comprehensive Improvement Modernization Program (hereinafter "CIAP") funded contracts, prepare and report the Authority's MBE/WBE progress on HUD Form #2516 – Contract and Subcontract Activity Report for Public and Indian Housing Programs.
- G. Receive, document and evaluate complaints relative to violations of the Affirmative Action Contract Compliance Program.

H. Report findings of discrimination, in writing, to the Executive Director through the General Manager of Contracts/Procurement.

I. Interact with city, state, and federal agencies involved in the administration of certified MBE/WBE programs.

2.2 CONTRACTING OFFICER

A. SOLICITATION – The Authority’s Contracting Officer shall actively solicit certified MBE/WBEs to compete for contracting opportunities as Prime/General Contractors.

B. REPORTS – The Affirmative Action Officer shall gather information required to prepare various reports that detail:

1. The original total dollar amount of each contract awarded according to the categories of vending, construction, personal services and professional services, including the total dollar amount of each contract resulting from any contract amendment or change orders subsequent to award.

2. The original total dollar amount of each contract awarded to each certified MBE/WBE as a Prime/General Contractor, as well as the actual dollar amount of each contract including contract amendments or change order(s).

2.3 COORDINATION WITH CONTRACT CONTROL SPECIALISTS

A. The AAO shall coordinate with the Contract Control Specialist for information as may be required in the performance of the AAO function. Such information may include, but is not limited to:

1. Explanation of the elements of the work to be performed under a contract.

2. A reasonable estimate of costs, type(s) and quantity of supplies, materials and equipment required for performance under a contract.

3. A reasonable estimate of employees and their classifications required for performance under a contract.

B. The Authority’s Contracting Officer shall also do the following, with or without coordination with the AAO:

- 1. Divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by certified MBE/WBEs.**
- 2. Establish delivery schedules, where the requirement permits, which encourage participation by certified MBE/WBEs.**
- 3. Use the services and assistance of the Small Business Administration and Minority Business Development Agency of the Department Commerce.**

6 PART III: BIDDER/PROPOSER AFFIRMATIVE ACTION

IMPLEMENTATION PLAN

3.1 GENERAL REQUIREMENTS

Each Bidder's/Proposer's Affirmative Action implementation Plan shall include the following:

- A. The business name, address, contact person, telephone number, certification number, certifying agency(s), and Internal Revenue Service Employer's Identification Number (E.I.N.).**
- B. A description of the work that will be performed by each designated contractor/subcontractor.**
- C. The date of solicitation, contact person's name, whether contact was by phone or mail, and if a quote was received from the designated MBE/WBE.**
- D. Confirmation of commitment made as to the level of certified MBE/WBE participation described as a percentage of the total base contract proposal dollar amount and percentage of commitments.**
- E. If no commitment is made to meet or exceed the stated MPGs, the Bidder/Proposer must provide documentation that the following steps were taken:**
 - 1. Requested and attended a briefing and information meeting with the Authority staff designed to explain the Affirmative Action Contract Compliance Program pertaining to certified MBE/WBE participation.**
 - 2. Advertised in general circulation, media, trade association publications, and minority/women-focused media concerning subcontracting and supplier opportunities.**
 - 3. Participated in Authority sponsored conferences and seminars designed specifically for the promotion of the Authority's Affirmative Action Contract Compliance Program pertaining to certified MBE/WBE participation.**
 - 4. Notified certified MBE/WBEs and solicited their participation in the reference contract. The names, addresses, telephone numbers, and contact persons of the firms notified must be provided.**

- 5. Provided complete information about plans, specifications, and requirements of the contract to interested certified MBE/WBEs.**
 - 6. Made reasonable efforts to negotiate with certified MBE/WBEs for specific sub-bids. All such contacts must be fully documented. If a sub-bid of a certified MBE/WBE is rejected, the Bidder/Proposer must document and explain the reason for the rejection. Rejection based solely on the initial response from a certified MBE/WBE will not be sufficient to establish non-discrimination and “Best Efforts” toward compliance.**
- F. Attest to the fact that the certified MBE/WBE will perform work, which is necessary and required for contractor to fulfill their obligation under the applicable contract and specification.**

**7 PART IV: CONSTRUCTION CONTRACT AFFIRMATIVE ACTION
8 IMPLEMENTATION PLAN**

4.1 MINIMUM PARTICIPATION GOALS

The AAO shall set MPGs for Specifications/Contracts/Request for Proposals.

(MODERNIZATION FUNDS)

The MPGs which have been set by the AAO as of the date of implementation of this program, are and shall be, until or unless they are revised, as follows:

<u>MBE</u> 20%	<u>WBE</u> 10%
-------------------	-------------------

- A. A Bidder/Proposer will not be rejected as non-responsive solely because they fail to reach the MPGs. However, a contractor may be considered not responsive if the MPGs are not met and no acceptable justification is offered for a lack of compliance.**
- B. When a firm/company contracts with an enterprise that is both a certified MBE and a certified WBE, credit toward the MPG will be received for one category only. Bidders/Proposers shall indicate in their plan which category is being credited.**
- C. A certified MBE/WBE firm bidding as a prime/general contractor shall still be required to submit an Affirmative Action Implementation Plan. However, where the primary contract is awarded to either a certified MBE or a certified WBE the Authority shall count the entire dollar amount of the contract towards meeting the MPG.**
- D. Certified MBE/WBE subcontractors shall perform at least seventy-five percent (75%) of the cost of the subcontract, not including cost of materials, with their own employees. This provision shall not apply to suppliers or distributors.**

4.2 CONSTRUCTION CONTRACT BIDDER/PROPOSER RESPONSIVENESS

- A. Bidders/Proposers must submit information indicating certified MBE/WBE firms, which have been solicited, quotes that have received (solicited and unsolicited), and firms to which commitments have been made. Documentation of such solicitations, quotes, and commitments must be submitted concurrently with the bid/proposal. Failure to submit the required information is sufficient cause for rejection of the bid as non-responsive.**
- B. Mailings to large numbers of certified MBE/WBEs which are intended to provide notice of a contractor's interest in bidding on a construction**

contract will not be deemed solicitation, but will be treated as informational notification only.

- C. A Bidder/Proposer should only solicit certified MBE/WBE subcontractors, manufacturers or supplies whose work, materials or supplies are within the project scope and are related to project line items or portions thereof, and which the Bidder/Proposer reasonable believes it will choose to subcontract with or purchase from.**
- D. Bidders/Proposers failing to meet the MPGs must submit concurrently with the bid submissions, the information required under Part III, Section E, of the Affirmative Action Contract Compliance Program.**

4.3 CONSTRUCTION CONTRACT BIDDER/PROPOSER RESPONSIBILITY

The submittals of each Bidder/Proposer are subject to review to determine whether the Bidder/Proposer has discriminated in the selection of manufacturers, subcontractors or suppliers, or has taken affirmative steps in the utilization of certified MBE/WBEs to ensure compliance with this policy. If a Bidder/Proposer has met the MPGs, the Authority's Contracting Officer may presume that the Bidder has not discriminated in its selections. A Bidder/Proposer who fails to meet the MPGs shall satisfactorily provide the documentation set forth in Part III, Section E, of this program. The AAO shall perform a review of the submitted documentation to determine whether discrimination has occurred. If appropriate, the AAO may invoke the provisions of Part VII, Section 7.3 (Willful Non-Compliance) and recommend sanctions contained therein.

**9 PART V: VENDING AND PERSONAL/PROFESSIONAL
SERVICES CONTRACT AFFIRMATIVE ACTION
IMPLEMENTATION PLAN**

5.1 MINIMUM PARTICIPATION GOALS

The AAO shall set MPG's for Specifications/Contracts/Request for Proposals.

(MANAGEMENT FUNDS)

<u>MBE</u>	<u>WBE</u>
10%	10%

- A. A Bidder/Proposer will not be rejected as non-responsive solely because they fail to reach the MPG's. However, a contractor may be considered non-responsible if the MPG's are not met, and they are not in compliance with Part III, Section E.**
- B. When a firm/company contracts with an enterprise that is both a certified MBE and a certified WBE, credit toward the MPG will be received for one category only. Bidders/Proposers shall indicate in their Plan which category is being credited.**
- C. A certified MBE/WBE firm bidding as a prime contractor shall still be required to submit an Affirmative Action Implementation Plan. However, where the primary contract is awarded to either a certified MBE or a certified WBE the Authority shall count the entire dollar amount of the contract towards meeting the MPG.**

**5.2 VENDING AND PERSONAL/PROFESSIONAL SERVICES CONTRACT
AFFIRMATIVE ACTION BIDDER/PROPOSER RESPONSIVENESS**

- A. Bidders/Proposers must complete and submit with the bid/proposal, certified MBE/WBE Schedule of Participation and Binding Commitments Form. Failure to submit these forms with the bid/proposal may result in the bid being rejected as non-responsive.**
- B. Mailings to large number of certified MBE/WBE's which are intended to provide notice of a contractor's interest in bidding on a vending and personal/professional service contract will not be deemed solicitation, but will be treated as informational notification only.**
- C. A Bidder/Proposer should only solicit certified MBE/WBE subcontractors, vendors, manufacturers or suppliers whose services, materials or supplies are**

within the scope of work bidded on, and which the Bidder/Proposer reasonably believes it will choose to subcontract with or purchase from.

- D. Bidders/Proposers failing to meet the MPGs must submit concurrently with the bid submissions the information required under Part III, Section E, of the Affirmative Action Contract Compliance Program.**

5.3 VENDING AND PERSONAL/PROFESSIONAL SERVICE CONTRACT AFFIRMATIVE ACTION BIDDER/PROPOSER RESPONSIBILITY

The submittals of each Bidder/Proposer are subject to review to determine whether the Bidder/Proposer has discriminated in the selection of manufacturers, subcontractors or suppliers, or has taken affirmative steps in the utilization of certified MBE/WBEs to ensure compliance with this policy. If a Bidder/Proposer has met the MPGs, the Authority's Contracting Officer may presume that the Bidder/Proposer has not discriminated in its selections. A Bidder/Proposer who fails to meet the MPGs shall satisfactorily provide the documentation set forth in Part III, Section E, of this program. The AAO shall perform a review of the submitted documentation to determine whether discrimination has occurred. If appropriate, the AAO may invoke the provisions of Part VII, Section 7.3 (Willful Non-Compliance) and recommend sanctions contained therein.

14 PART VI: EXEMPTIONS**6.1 EXEMPTED CONTRACTS**

The Authority recognizes that in certain limited circumstances, compliance with this Affirmative Action Contract Compliance Program will not be feasible, nor in the best interest of the Authority or its residents. With the approval of the Executive Director, Contracting Officer and the Affirmative Action Officer, the following contracts may be exempted:

- A. A vending contract, for equipment, materials, services and supplies where the total dollar amount of the contract is less than Ten Thousand Dollars (\$10,000.00).**

7.1 STANDARDS FOR REASONABLE CAUSE:

16

AFTER A CONTRACT HAS BEEN AWARDED

- A. The AAO may find that a Contractor is not in compliance with contract requirements for reasons, which include, but are not limited to:
1. Documentation of information furnished by the contractor, which does not demonstrate that, a certified MBE/WBE is performing the work actually contracted.
 2. Failure or refusal by a contractor to furnish information requested by the Authority.
 3. Discovery of information, which is contrary to compliance information previously submitted by the contractor.
 4. Contractor's failure, neglect or refusal to pay certified MBE/WBE subcontractor(s) for completed and approved work within seven (7) working days after payment by the Authority to the contractor.
 5. Other facts discovered by the Authority's AAO.
- B. Whenever the AAO determines it has reasonable cause to believe that a contractor is not in compliance or that the contractor has discriminated against certified WBE/MBEs, the AAO shall promptly prepare a written notice to be signed by the Contracting Officer and sent by certified mail to the contractor. The notice shall state the reasons for the AAO's belief that the contractor is not in compliance and/or has discriminated against certified MBE/WBEs. In response to said notice, the contractor shall be required to show cause within seven (7) working days why it should not be found:
1. In breach of contract, or
 2. To have discriminated against certified MBE/WBEs.
- C. Based upon information supplied by the contractor, if any, and other documentation and/or information, and with the approval of the General Manager of Contracts/Procurement, the AAO shall proceed expeditiously with an investigatory, evaluative review to clarify the allegations. - B. In conciliation, the contractor must satisfy the Authority that they have made their "Best Efforts" to achieve the agreed upon participation goals by certified MBE/WBEs. "Best Efforts" on the part of the contractor include:**
 - 1. Entering a contractual relationship with the designated MBE/WBE in a timely manner, and fulfilling all contractual requirements.**
 - 2. Notifying both the certified MBE/WBEs subcontractor and the Authority's AAO of any problems in a timely manner.**
 - 3. Requesting assistance from the AAO in resolving any problems with certified MBE/WBEs.**

7.3 WILLFUL NON-COMPLIANCE

- A. In cases where the AAO has cause to believe that any Bidder, Proposer, or Contractor has failed to comply with the provisions of these procedures, said officer shall be empowered to conduct an investigation subsequent to written direction of the General Manager of Contracting/Procurement.**
- B. After affording the Bidder, Proposer or Contractor notice and an opportunity to be heard, the AAO will be authorized to recommend sanctions for each violation of these procedures. Such sanctions may include, but are not limited to:**
 - 1. Declare the bid or proposal as non-responsible and the Bidder/Proposer ineligible to receive the award of the contract or any other future contracts.**
 - 2. Suspension from doing business with the Authority for a set period of time.**
 - 3. Debarment.**

A Bidder, Proposer, or Contractor may appeal a decision pursuant to any action taken under the provisions of Part VII: Compliance Review, by filing a written grievance with the AAO. An appeal by the Bidder, Proposer or Contractor under this section shall not stay the AAO's finding(s).

8.2 WRITTEN GRIEVANCE

- A. The grievance shall set forth the reasons supporting it. The grievance shall be filed within ten (10) working days of the date that the finding, recommendation, proposal or other relief becomes effective. Failure to grieve in a timely manner shall be deemed a waiver of said right or breach of the conditions of this policy.**
- B. If a person requests a hearing at the time the grievance is filed, the AAO shall schedule a hearing within seven (7) working days of the date the grievance is filed, unless the person requesting a hearing agrees to a continuance provided it is not contrary to best interest of the Authority to permit the delay. The AAO shall notify in writing, the person filing the grievance, of the date, time and place of the hearing.**
- C. If a hearing is not requested, the AAO shall make a determination and notify the contractor within (7) working days.**

8.3 HEARING

Five (5) working days prior to a scheduled hearing, the AAO shall issue and serve a written notice, together with a copy of the grievance as filed, to all persons named in the grievance. Such persons may be required to appear before a hearing panel at the date, time and place specific in the notice.

8.5 EFFECT OF A PENDING DECISION

The Philadelphia Housing Authority Board of Commissioners shall appoint an Affirmative Action Oversight Committee to monitor and evaluate the implementation and administration of the Affirmative Action Contract Compliance Program. The Oversight Committee shall have as its membership, at least one (1) member of the Board of Commissioners, Executive Director, General Counsel, and other individuals from the Authority's community at large. SECTION 3 PROGRAM

I. INTRODUCTION TO SECTION 3

A. SECTION 3 OVERVIEW

Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u) and 24 CFR Part 135 requires that, to the greatest extent feasible, employment and other economic opportunities generated by certain financial assistance from the U.S. Department of Housing and Urban Development (“HUD”) be directed to low-and very low-income residents, particularly those who are recipients of government assistance for housing, and to business concerns that provide economic opportunities to low- and very low income persons, as defined in 24 CFR 135.5

Pursuant to 24 CFR 135.5 and the Philadelphia Housing Authority Section 3 Policy contained herein, Section 3 applies to all contracts and memoranda of understanding providing services to PHA, including cooperative purchasing agreements and contracts for professional services (such as audit and accounting, brokerage, architecture, and legal), maintenance, repairs, labor, landscaping, modernization projects, employee training, PHA resident education and construction. It does not apply to contracts solely for materials or supplies or contracts entered into in accordance with PHA’s Small Purchase Procedures found in PHA’s Contract Procurement Policy, which are under the \$18,500.00 threshold.

III. SECTION 3 POLICY - PHA CONTROL POLICY AND PROCEDURE #10, XVII

Section 3 of the Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u) (“Section 3”) and 24 CFR Part 135 requires that, to the greatest extent feasible, employment and other economic opportunities generated by certain financial assistance from the U.S. Department of Housing and Urban Development (HUD) be directed to low- and very low-income residents, particularly those who are recipients of government assistance for housing, and to business concerns that provide economic opportunities to low- and very low income persons, as defined in 24 CFR 135.5.

A. Statement Of Purpose

1. This Section 3 portion of the Procurement Policy shall provide direction to the Philadelphia Housing Authority (PHA) for maximizing employment and other economic opportunities for low- and very low-income individuals and business concerns through certain HUD-funded contracts, pursuant to 24 CFR Part 135. PHA will establish appropriate procedures and processes to implement this Section 3 portion of the Policy. This Policy does not require employing a Section 3 Resident or contracting with a Section 3 Business Concern that does not meet the qualifications of the position to be filled or cannot fulfill the contract requirements.

B. Applicability

1. This Policy shall cover all contracts, including memoranda of understanding, for the provision of services to PHA funded through Section 3 Covered Assistance, which includes cooperative purchasing agreements and contracts for professional services (such as audit and accounting, brokerage, architecture, and legal), maintenance, repairs, labor, landscaping, modernization projects, employee training, PHA resident education and services, and construction. This Policy does not apply to contractors who only furnish materials or supplies.

C. Definitions

1. PHA incorporates into this Policy all of the definitions contained in 24 CFR 135.5; definitions most applicable to PHA’s Policy are listed below.
 - a. *Contractor*: Any entity that enters into a contract or agreement to perform work generated by the expenditure of Section 3 Covered Assistance, or for work in connection with a Section 3 Covered Project.
 - b. *HUD Youthbuild Programs*: Programs that receive assistance under subtitle D of Title IV of the National Affordable Housing Act, as amended by the Housing and Community Development Act of 1992 (42 U.S.C. 12899), and provide disadvantaged youth with opportunities for employment, education, leadership development, and

- training in the construction or rehabilitation of housing for homeless individuals and members of low- and very low-income families.

 - i. That is 51 percent or more owned by Section 3 Residents;
 - ii. Whose permanent, full-time employees include persons, at least 30 percent of whom are currently Section 3 Residents, or within three years of the date of first employment with the business concern were Section 3 Residents; or,
 - iii. That provides evidence of a commitment to subcontract in excess of 25 percent of the dollar award of all subcontracts to be awarded to business concerns that meet the qualifications set forth in the two preceding paragraphs in this definition.
 - e. *Section 3 Clause*: The contract provisions set forth in 24 CFR 135.38. The Section 3 Clause is set forth in Section XVII.I. of this Policy.

Section 3 Covered Contracts do not include contracts awarded under HUD's procurement program that are governed by the Federal Acquisition Regulation System (see 48 CFR, Chapter 1). Section 3 Covered Contracts also do not include contracts for the purchase of supplies and materials. However, whenever a contract for materials includes the installation of the materials, the contract constitutes a Section 3 Covered Contract.
- h. *Section 3 Covered Project*: The construction, reconstruction, conversion or rehabilitation of housing (including reduction and abatement of lead-based paint hazards); other public construction that includes buildings or improvements (regardless of ownership) assisted with housing or community development assistance.
- i. *Section 3 Fund*: A fund held and administered by or under the direction of PHA to be expended for the purpose of supporting training programs for Section 3 Residents to develop skills necessary or useful to: 1) fulfill all or a portion of the requirements of any of PHA's Section 3 Covered Contracts; 2) support or create Section 3 Business Concerns; or 3) sell to PHA, directly or through Section 3 Business Concerns, supplies and materials commonly procured by public housing authorities. Such training programs shall include, without limitation, apprentice or pre-apprenticeship programs developing skills involved in building trades, maintenance, landscaping and security and scholarships, including to pay the cost of participation of Section 3 Residents in any available apprenticeship programs for the building trades, such as plumbing, carpentry, electrical, etc., or continuing education. - j. *Section 3 Resident*: 1) A public housing resident or 2) a low or very low-income person, as defined below, who resides in Philadelphia, PA. obligation for the performance of work generated by the expenditure of Section 3 Covered Assistance, or arising in connection with a Section 3 Covered Project.

D. PHA Responsibilities

1. PHA will comply with Section 3 in its operations. This responsibility includes:
 - a. Notifying Section 3 Residents and Section 3 Business Concerns about jobs and contracts generated by Section 3 Covered Assistance so that residents may seek jobs and businesses may submit bids/proposals for available contracts;
 - b. Notifying potential contractors of the objectives of Section 3 and ways in which each contractor can assist PHA in meeting its goal;
 - c. Facilitating the training and employment of Section 3 Residents and the award of contracts to Section 3 Business Concerns; and
 - d. Documenting the action that the PHA takes to comply with the Section 3 requirements, the results of the actions, and impediments, if any.

2. PHA also has a responsibility to ensure compliance of contractors and subcontractors. PHA will:
 - a. Notify contractors of their responsibilities under Section 3 including, but not limited to, incorporating the Section 3 Clause in contract documents;
 - b. Refrain from entering into contracts with contractors that are in violation of the regulations at 24 CFR Part 135;
 - c. Respond to complaints made to PHA by Section 3 Residents or Section 3 Business Concerns that PHA, a contractor or subcontractor, is not in compliance with 24 CFR Part 135; and
 - d. Cooperate with HUD in obtaining the compliance of contractors and subcontractors when allegations are made that PHA's contractors and subcontractors are not in compliance with the regulations at 24 CFR Part 135.

E. Goals

1. Goals for Employment and/or Training: All contractors under Section 3 Covered Contracts shall contractually agree to employ and/or train Section 3 Residents, to the greatest extent feasible, for 30% of all new hires related to the Contract.

2. Employment Preferences: Contractors must select qualified Section 3 Residents as new hires for work generated by the Section 3 Covered Contract, to the greatest extent feasible, in the following order of priority:

- a. PHA residents of the development or developments where the work is to be performed;
 - b. Other residents of PHA;
 - c. Participants in HUD Youthbuild Programs occurring in Philadelphia;
 - d. Other Section 3 Residents.
3. Goals for Contracting by PHA: To the greatest extent feasible, PHA shall seek to award to qualified Section 3 Business Concerns contracts of at least: 1) 10% of the total dollar amount of all Section 3 Covered Contracts for building trades work for maintenance, repair, modernization or development of public housing, and 2) 3% of the total dollar amount of all other Section 3 Covered Contracts.
4. Goals for Subcontracting by Contractors under PHA Contracts: All contractors under Section 3 Covered Contracts shall, to the greatest extent feasible, seek to award to qualified Section 3 Business Concerns, subcontracts of at least: 1) 10% of the total dollar amount of all Section 3 Covered Contracts for building trades work for maintenance, repair, modernization or development of public housing, and 2) 3% of the total dollar amount of all other Section 3 Covered Contracts.
5. Contracting and Subcontracting Preferences: To the greatest extent feasible, PHA and its contractors and subcontractors must select qualified Section 3 Business Concerns to perform work generated by any Section 3 Covered Contract, in the following order of priority:
- a. business concerns that are 51% or more owned by residents of the development for which the Section 3 Covered Assistance is expended, or business concerns whose full-time permanent workforce includes at least 30 percent of those persons as employees;
 - b. business concerns that are 51% or more owned by residents of other PHA-owned or managed developments or whose full-time, permanent workforce includes at least 30 percent of those persons as employees;
 - c. HUD Youthbuild Programs being carried out in Philadelphia;
 - d. business concerns that are 51% or more owned by Section 3 Residents, or whose permanent, full-time workforce includes no less than 30 percent Section 3 Residents, or that subcontract in excess of 25% of the total amount of subcontracts to Section 3 Business Concerns described above.
6. Preferences Regarding Small Purchases: For contracts that do not exceed \$18,500, procured in accordance with the Small Purchase Procedures found in this Procurement

Policy, and where the Section 3 Covered Contract is to be awarded based on price, the contract will be awarded to the responsible source with the lowest responsive quotation.

a. Where the Section 3 Covered Contract in an amount not to exceed \$18,500 is to be awarded based on factors other than price, a request for quotations will be prepared in accordance with PHA's Procurement Policy, including a rating system for the assignment of points to evaluate the merits of each quotation. The solicitation will identify all factors to be considered, including price or cost. The rating system will provide for a range of up to 15 to 25 percent of the total number of available rating points to be set aside for the provision of preference for Section 3 Business Concerns. The percent of the preference points shall be determined by the head of PHA's Supply Chain Management Department or his or her designee upon due consideration of the effect of any preference upon the ability to obtain responsive quotations. The contract or purchase order will be awarded to the responsible firm whose quotation is the most advantageous, considering price and all other factors specified in the rating system.

7. Preferences Regarding Procurement By Request For Proposals (RFP): For Section 3 Covered Contracts awarded through an RFP process, the RFP shall identify all evaluation factors (and their relative importance) to be used to rate proposals. One of the evaluation factors shall address both the preference for Section 3 Business Concerns and the acceptability of the proposing contractor's strategy for meeting the Section 3 greatest extent feasible requirement. This factor shall provide for a range of up to 15 to 25 percent of the total number of available points to be set aside for the evaluation of these two components. The percent of the preference points shall be determined by the head of PHA's Supply Chain Management Department or his designee upon due consideration of the effect of any preference upon the ability to obtain responsive proposals.

a. The component of this evaluation factor designed to address the preference for Section 3 Business Concerns must establish a preference for these business concerns in the order of priority ranking as set forth in this policy.

b. With respect to the second component (the acceptability of the strategy for meeting the greatest extent feasible requirement), the RFP shall require disclosure of the contractor's strategy for meeting the greatest extent feasible requirement to comply with the Section 3 training and employment preference, or contracting preference, or both, if applicable. A determination of the contractor's responsibility will include the submission of an acceptable strategy for meeting the greatest extent feasible requirement. The contract award shall be made to the responsible firm whose proposal is determined most advantageous considering price and all other factors specified in the RFP.

8. Preferences Regarding Contracts to be Awarded Under a Sealed Bid Process: Where the Section 3 Covered Contract is to be awarded under a sealed bid process, PHA will utilize

the procedure and the method for providing preference for Section 3 Business Concerns described in Section III (2)(i) of the Appendix to 24 CFR Part 135.

F. Compliance

1. HUD holds PHA accountable for compliance with Section 3 requirements: Therefore, contractor reporting requirements will be incorporated into all Section 3 Covered Contracts and contractors shall be contractually required to respond to requests for information from PHA for compliance verification throughout the life of the contract. PHA's Section 3 Program may also conduct random compliance inspections at the site of a Section 3 Covered Project.
2. Achievement of Numerical Goals: In the absence of evidence to the contrary, if a contractor meets the minimum numerical goals listed in Section XVII.E., above, the contractor is considered to have complied with its Section 3 requirements under this Policy.
3. Burden of Proof: Section 3 requires compliance with its minimum numerical requirements unless PHA and its contractors demonstrate that such compliance was not feasible following reasonable efforts. Contractors must demonstrate, through compliance reports and forms established by PHA, that they have met the numerical goals stated in Section XVII.E. of this Policy. When a contractor is unable to meet the objectives stated in Section XVII.E. of this Policy, the contractor has the burden of demonstrating why it was not feasible to meet the numerical goals. Such justification may include impediments encountered despite actions taken. In the event a contractor does not meet the numerical goals for both new hires and subcontracting or the contractor has no need for new hires or any subcontracting or both, PHA requires that a contractor indicate that it has provided other economic opportunities as further evidence of its attempt to comply with Section 3 requirements. See Section XVII.F.
4. Supplemental PHA Requirements: Except in the case of Section 3 Covered Contracts under \$18,500, PHA requires each contractor pursuant to any Section 3 Covered Contract to provide other economic opportunities in each of the following circumstances:
 - a. The contractor can demonstrate that it has no need to subcontract or hire to fulfill the Section 3 Covered Contract;
 - b. The contractor needs new hires and fails to meet the applicable numerical goal after demonstrating infeasibility; or
 - c. The contractor needs to subcontract and fails to meet the applicable numerical goal after demonstrating infeasibility.

5. Cooperation: PHA will cooperate fully with Section 3 compliance reviews by HUD. PHA will promptly correct or work with contractors to correct any deficiencies identified by HUD during such reviews.

G. Other Economic Opportunities

1. The following qualify as other economic opportunities to fulfill the requirements of Section XVII.F.4.:
 - a. Contributing to a Section 3 Fund created by PHA in the amount of three percent (3%) of the Section 3 Contract amount (see Definitions, Section XVII.C.1.i., above and G.3. below);
 - b. Hiring Section 3 Residents in part-time positions;
 - c. Providing economic opportunities to establish, stabilize or expand Section 3 Business Concerns, as approved by PHA, including, but not limited to the following:
 - i. Formation of Section 3 Joint Ventures;
 - ii. Purchase of materials and supplies from PHA resident-owned businesses; use of labor only contracts for building trades; Such economic opportunities may be provided either directly by the contractor or by the contractor providing incentives to non-Section 3 Businesses to provide such economic opportunities to low-income persons;
 - iii. Use of upwardly mobile, bridge and trainee positions to fill vacancies;
 - iv. Hiring Section 3 Residents in management and maintenance positions regarding other housing developments;
 - v. Hiring Section 3 Residents or subcontracting to Section 3 Business Concerns in circumstances unrelated to any PHA Section 3 Covered Contract; or
 - vi. Providing mentorship, continuing education and/or training opportunities that benefit Section 3 Residents or Section 3 Business Concerns or both.
2. Unless contribution to the Section 3 Fund is selected, a contractor may create, subject to PHA approval, any one or more of the foregoing economic opportunities; however, the contractor must demonstrate that the cost or value of such other economic opportunities with respect to each Section 3 Covered Contract is not less than the difference between: 1) ten percent (10%) of the Section 3 Covered Contract amount or three percent (3%) for non-construction contracts and 2) the amount the contractor did expend for new hires of Section 3 Residents and/or for subcontracting to Section 3 Business Concerns.
3. PHA may not require a contractor to make a Section 3 Fund contribution in lieu of any of the other economic opportunities described in Section XVII.G.1., above.

4. Data Collection and Reporting

- a. PHA will submit an annual report to HUD documenting the compliance with Section 3 in such form and with such information as HUD may request. The report will be submitted in compliance with HUD required deadlines. HUD will be provided access to all records, reports and other documents or items PHA maintains to demonstrate compliance with Section 3 requirements.

H. Complaint

1. Complaint Right

- a. Any Section 3 Resident and any representative who is not a Section 3 Resident, but who represents one or more Section 3 Residents, and any Section 3 Business Concern or any individual representative of one or more Section 3 Business Concerns, may bring concerns of noncompliance with Section 3 to HUD in conformity with complaint procedures detailed in 24 CFR 135.76. Complaints are to be filed with the Assistant Secretary for Fair Housing and Equal Opportunity.

2. Resolution of Complaints

- a. If the Assistant Secretary sends a complaint to PHA for resolution, PHA will review the complaint promptly. If PHA believes that the complaint lacks merit, PHA will notify the Assistant Secretary, in writing, of this recommendation with supporting reasons, within thirty (30) days of the date of receipt of the complaint. The determination that a complaint lacks merit is reserved to the Assistant Secretary.
- b. If PHA determines that there is merit to the complaint, PHA will have sixty (60) days from the date of receipt of the complaint to resolve the matter with the complainant. At the expiration of the sixty (60) day period, PHA must notify the Assistant Secretary in writing whether a resolution of the complaint has been reached. If resolution has been reached, the notification must be signed by both PHA and the complainant and must summarize the terms of the resolution reached between the two parties
- c. Any request for an extension of the sixty (60) day period by PHA must be submitted in writing to the Assistant Secretary, and must include a statement explaining the need for the extension.
- d. If PHA is unable to resolve the complaint within the sixty (60) day period (or more if extended by the Assistant Secretary), the complaint shall be referred to the Assistant Secretary for handling in accordance with 24 CFR 135.76.

3. Intimidatory or Retaliatory Acts Prohibited

- a. PHA will not intimidate, threaten, coerce, or discriminate against any person or business because the person or business has made a complaint, testified, assisted or

participated in any manner with an investigation, proceeding, or hearing regarding a complaint.

4. Judicial Relief

- a. Nothing in this policy precludes a Section 3 Resident or Section 3 Business Concern from exercising the right to seek redress directly through judicial procedures.

I. Section 3 Clause

All Section 3 Covered Contracts shall include the following clause (A-G, below), referred to as the Section 3 clause:

- A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12U.S.C. 1701u (section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD Assistance or HUD- assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low and very low-income persons, particularly persons who are recipients of HUD Assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.

- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.
- F. Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with Section 3 covered Indian Housing Assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work performed under this contract. Section 7(b) requires that the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7 (b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

**EXAMPLES OF EFFORTS TO
DEMONSTRATE SECTION 3 COMPLIANCE**

SUGGESTED EXAMPLES OF HIRING EFFORTS FOR SECTION 3 COMPLIANCE

The following are acceptable methods that, when documented, assist in demonstrating compliance with Section 3:

1. Consulting with State and local agencies administering training programs, probation and parole agencies, unemployment compensation programs, community organizations and other officials or organizations to assist with recruiting Section 3 Residents for a contractor's or subcontractor's training and employment positions.
2. Advertising the jobs to be filled through the local media.

Employing a job coordinator, or contracting with a business that is licensed in the field of job placement (preferably a Section 3 Business) that will undertake efforts to match eligible and qualified Section 3 Residents with the training and employment positions that the contractor intends to fill.
4. Establishing training programs, which are consistent with the requirements of the Department of Labor, for public housing residents and other Section 3 Residents in the building trades.
5. Advertising the training and employment positions by distributing flyers (which identify the positions to be filled, the qualifications required, and where to obtain additional information about the application process) to housing developments where PHA residents reside, particularly in the development where the Section 3 covered activity is taking place.
6. Entering into "first source" hiring agreements with organizations representing Section 3 Residents.
7. Contacting resident council, resident management corporations, or other resident organizations, where they exist, in the housing developments where low income persons reside, to request the assistance of those organizations in notifying residents of the training and employment positions to be filled.
8. Sponsoring a job information meeting to be conducted at a location in the housing developments where low income persons reside or in the neighborhood or service area of the Section 3 covered project.
9. Arranging assistance in conducting job interviews and completing job applications for residents of the housing developments where low income persons reside and in the neighborhood or service area in which a Section 3 project is located.
10. Arranging for a location in the housing developments where low income persons reside, or the neighborhood or service area of the project, where job applications may be delivered and collected or where job interview can be conducted.
11. Where there are more qualified Section 3 Residents than there are positions to be filled, maintaining a file of eligible qualified Section 3 Residents for future employment positions.
12. Undertaking continued job training efforts as may be necessary to ensure the continued employment of Section 3 Residents previously hired for employment opportunities.

**SUGGESTED EXAMPLES OF EFFORTS TO CONTRACT WITH SECTION 3 BUSINESSES
FOR SECTION 3 COMPLIANCE**

The following are acceptable methods that, when documented, assist in demonstrating compliance with Section 3:

1. In determining the responsibility of potential subcontractors, consider their record of Section 3 compliance as evidenced by past actions and their current plans for the pending subcontract.
2. Contacting business assistance agencies, minority contractors' associations and community organizations to inform them of contracting opportunities and request their assistance in identifying Section 3 businesses which may solicit bids or proposals for contracts for work in connection with Section 3 covered assistance.
3. Providing written notice to all known Section 3 Businesses of the contracting opportunities. This notice should be in sufficient time to allow the Section 3 Businesses to respond to the bid invitation or request for proposals.
4. Following up with Section 3 Businesses that have expressed interest in contracting opportunities by contacting them to provide additional information on the contracting opportunities.
5. Coordinating pre-bid meetings at which Section 3 Businesses could be informed of upcoming contracting and subcontracting opportunities.
6. Advising Section 3 Businesses as to where they may seek assistance to overcome limitations such as inability to obtain bonding, lines of credit, financing, or insurance.
7. Arranging solicitations, times for presentations of subcontract bids, quantities, specifications, and delivery schedules in ways to facilitate the participation of Section 3 Businesses.
8. Where appropriate, breaking out subcontract work items into economically feasible units to facilitate participation by Section 3 Businesses.
